

AL MAJAL

Company Profile

Who we are

Al Majal is a leading Iraqi company that offers a wide range of products and services to the most prominent companies operating within the energy sector in Iraq. Founded in 2008, Al Majal is headquartered in Basra with operations in Baghdad and Erbil, and regional offices in Dubai and Amman.

With a team of over 500 employees, we continue to expand our service offering to cater to the priorities of global firms operating in Iraq and help accelerate the development of the country's oil and gas industry. Bolstered with a broad network of international partners and an intimate knowledge of the local market, we deliver innovative and impactful solutions to our clients.

An Iraqi company with extensive local expertise and a commitment to service excellence and international best practices.
